Desired contact information for Shrine which will be made public (email, webpage etc):

Desired Name for Shrine:

There can be more than one Shrine in any given area, so a supplemental name is needed. Please try to keep it to two words or less, and do not focus on god/goddess names. It is preferred that it is some description of the space that is being used. Examples: Babalon Shrine: Ophidia. Babalon Shrine: Shy Town. Babalon Shrine: Green Room. Babalon Shrine: Smoke Lodge. Babalon Shrine: Mountainside. Babalon Shrine: Earth Haven. Feel free to be creative with your place name, and choose one that suits you and your Shrine.

Do you want your Shrine to be Public or Private?

Public Shrines offer occasional Rites or events to the public. Private Shrines are just that, you and whoever you invite only, for whatever Rites you want to perform.
